Quito

Experience the diverse cultures and ecology of Ecuador! Your program will be based in Quito, the vibrant capital of the country known as “the city of sun and sky”. Though the population is slightly over one million, Quito retains its small city atmosphere and offers a rich range of cultural activities. It is a fascinating blend of modern and traditional culture, with strong Spanish, indigenous, U.S.-American and European influences.

The Language Institute

The institute is located in a lovely residential area of Quito known as “La Carolina”, just one block from the stop for the *Ecovia* (ecological buses). The building is surrounded by gardens and includes a video room, cafeteria, dancing area and racquetball court.

The Classes

You can begin your studies any Monday of the year and stay for as many weeks as you like. Semester programs that include Hispanic Studies are also available! After completing a placement test on your first morning on campus, you will be placed in a class with students at your level. The curriculum includes conversation, written assignments, interactive activities and grammar lessons. Classes meet for 20 hours per week in small groups of no more than four students.

Cultural Activities

The institute offers weekly dancing lessons, cooking classes, lectures and city tours. Optional day activities include trips to National Parks, Indian markets and the Cloud Forest Reserve.

Special Option: Spanish and Community Service

Enrich your stay in Quito and give back to the community by participating in a local service project! The language institute has strong relationships with several organizations, offering you a choice of volunteering experiences. Support Ecuadorian students in improving their English, assist in a clinic that offers free treatment to local children, or help out at a biological station on the Galapagos Islands! Call for details and more options.

Accommodations

Deepen your understanding of the Spanish language and the culture of Ecuador by living with a local host family. Families are carefully selected and all homes are within easy walking or public transportation distance of the institute. Your host family provide two breakfast and a light dinner each day.
